

Haemovigilance
Past, Present & Future
IHN-SHOT Symposium
Brighton | 6-8 July 2022

CONNECT - SHARE - PROMOTE TRANSFUSION SAFETY
#IHNSHOT2022

DATES: 6-8 July 2022
LOCATION: Brighton Hilton Metropole,
Brighton, United Kingdom

Do not miss out on the IHN-SHOT symposium!
Join us in Brighton or register online.

Register now

There is very interesting program with expert speakers and presentations to look forward to, and the perfect opportunity for face-to-face meetings with your hemovigilance and blood transfusion colleagues and engagement with exhibitors. Online-registration is possible up to 4 July. For registering after this date, you are most welcome to register on site. All those who sign up, will have access to recordings from the symposium for 3 months post event. We look forward to meet you in Brighton!

Are you not able to attend in-person? You can also register to follow the scientific program of IHN- SHOT conference virtually.
